A MESSAGE FROM COUNCILWOMAN TINA WARD-PUGH

Legislative Update

On Wednesday, February 10th the committee I chair, Government Accountability and Oversight, began discussing the Ethics Workgroup's recommended changes to the current Code of Ethics. For an hour and a half we had a thorough, productive and insightful discussion. As we expected, the four members who were not part of the Workgroup provided new insights that provide additional clarity for the future work of the Ethics Commission. Stay tuned as we continue this discussion. Our next committee meeting will be Wednesday, February 24th at 4:00 pm and is aired live on MetroTV Channel 25.
